++ Meet President Lincoln “LIVE” just before the Tuesday, Nov. 7th 2023 Election! ++

Learn about Lincoln’s Historic visit and enjoy the fall foliage during our 2 ½ hour roundtrip tour steaming through York County from New Freedom to Hanover Junction in our private D. Reed Anderson car equipped with bathrooms and old fashioned coal stove.

We’ll also enjoy birthday cake celebrating Barb Bair’s 59th Birthday during our Hanover Junction visit!

Living historian Bob Gleason will have you believing you are seeing the real Abraham Lincoln. Relive the emotion and passion of the 1860s when we experience Lincoln’s recreated November 1863 ride on the Northern Central Railway. President Lincoln traveled these rails on his way to Gettysburg to present the Gettysburg Address, and so sadly two years later his funeral car used the same line. Learn more about these trips and the history of the Gettysburg Address and listen to Mr. Gleason recite President Lincoln’s famous speech.
